Long hours and
significant amount of
downtime

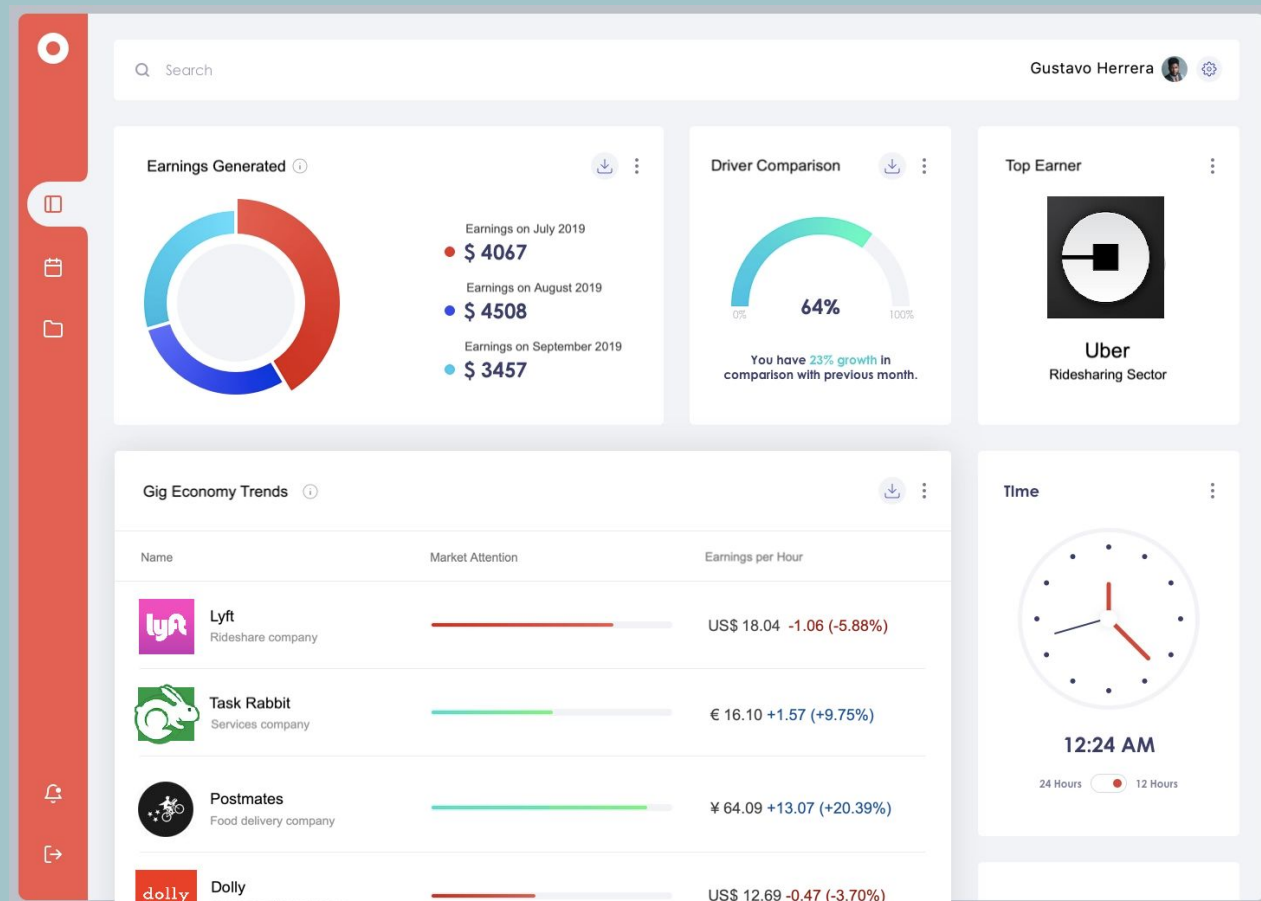

...

User driven Dashboard App for Gig Workers

We are providing a dynamic and transparent mobile platform that enables gig workers to monitor their markets, make smarter decisions and work more efficiently.

Solution

Demand

- // Manually
- // Glassdoor
- // Online Forums (reddit)

Supply

- // Glassdoor
- // Indeed
- // Stock Market App (Robin Hood)
- // GigWalk

Now

- // Crowd sourced data
- // Real time tracking
- // Info sharing b/w users

Soon

- // Integrated solution tailored to the needs of Gig Workers

Can we make it?

Hell Yeah! 

Thank You
